“ Sam and I send our sincere sympathy for your family's loss. We know that Ms. Betty is enjoying herself more than anyone can imagine right now. We are sure she and her love, Ron are catching up on what is going on here with Ron and Kevin. Betty was such an amazing LADY. When visiting her, she would always be upbeat and talk about her God. She trusted him with His plan. Never complained about where He took her. We loved to hear her stories of the paths she has walked. Will miss her sweet, sweet smile!

“ The best Aunt anyone could ever ask for, she loved her family beyond belief! She left many who love her deeply, but walked into the arms of her family that welcomed her to her forever home. May the family know that you're all covered with prayers of love. Peace be in your hearts, at the exact moments you need it!!!
