“ Dear Monique, Vina & Israel, our thoughts and prayers are with you. Your mom was a dear friend and a great part of our lives for 50 years, that we shall forever cherish. We shared many good times, some difficult times, as we journeyed together in our Christian experience. We know she loved you guys, her grandchildren and all of her dear friends, with the love of her Lord and Savior, Jesus Christ. We know the Lord has brought you all through a mighty long way, and we are believing God with you that He will continue in the days ahead. We love you all and miss you. Tony & Lydia Rocco

“ *From the first time my husband, Charlie, introduced you, Betty Santiago, to me, I loved you and I loved your young ones, Vina and Israel. Charlie loved you too, which you were well aware of! You added so much joy whenever we got together, especially at Ranch Hope. Although you tried to teach me, I'm sorry I didn't get the hang of making fried chicken! It was fun trying though. We both had our heartaches and I guess that's why we became such kindred spirits in the Lord Jesus. The plaque you gave me pretty much sums it up: "True friends are like diamonds, precious but rare." Looking forward to joining you forever in glory! All tears wiped away...*
