“ Although I have not been in touch with Betty for several years, she was my friend as well as a former boss. I worked with her at Limona Elementary for many years , and came to know all of her family.. She treasured them above all else. My prayers to all of you at this sad time. love and hugs to you all.

“ *It was a joy to know Betty Jean! She was the most unselfish person I have ever know besides my own mom and my Aunt Flo. When my mom was ill, she would drive to Tampa so she could cheer her up - and even do the dishes or clean the house, but mom mostly just enjoyed her company. Heaven truly has another ANGEL, and I know that she was ready because she said to me last week "I want to go home", and she didn't mean Plant City. Although we will miss her, she is happy at HOME with all her relatives who have passed before her having a big reunion. We love you Betty Jean - until we meet again - LOVE The Crumbley's*
