“ I spent so much time at your house growing up. I always said you were my second mom. I know it has been many years sense we last saw each other you were still my second mom. I remember the square dances you and Albert would get dressed up for. The matching hair cuts you would give me and Christina. All tho the Mullet hair cuts we wanted that one time probably was not are best idea. We were to peas in a pod back then. I miss those times and I miss you and love you.

“ *My deepest sympathy to my dear friends family.....I have many,many wonderful memories of growing up with Beverly.....it's because of her that I love horses, I loved staying at her house when we were kids, loved riding her horses....then we had to brush them but that was okay too....I'll miss her, she was always there for me and had wisdom beyond her years even as a youngster....Rest in peace with your hubby, Mary, Mom, Dad and all others gone before you sweet friend. I love you!*  
*Love,*
