“ I have the fondest memories of Beverly. She was my favorite of all my friends' parents, because she saw me. She always stopped to welcome me into her home; to look me in the eye and make me feel welcomed. I loved her joy, her sense of fun, her eagerness to laugh or make someone else laugh, and, of course, her slightly mischievous spirit. I am so happy that she was cherished by her children and grandchildren. My life is sweeter for having known her during my teenage years! Love, Dori Grinenko Baker

“ I am truly sorry for the loss of your mom. Im going to miss her dearly. I took care of her and Bill for a long time. She always made me laugh and we had so much fun together. The beginning of the Pandemic she was helping me with all the mask orders. She was such a trooper not to mention great help. I have so many great memories and videos and pictures of her. Beverly you are now dancing and singing with the love of your life. R.I.P. my dear friend

“ Thinking of you today as you say goodbye to your Mom, Grandma and all she was to everyone. We very fondly remember all the wonderful times we had staying at the McElveen's Resort and visiting with Bev, cutting strawberries and just hanging by the pool enjoying chat-time catch-up! Loved all the pictures and sure brought back so many memories. God Bless you all, and God Bless Bev! We'll miss her, but know she's in a better place and reunited with LOTS of family!
Lots of Love and Sympathy,
Brenda, Brian and Family

“ *I had worked for the Naset Family for 20 ish years, They are The Best Family and I always felt like a part of the Family.*

I learned a lot working with Mrs. Naset, she was very patient (always took the time to explain why things where done in a certain way). Mrs. Naset was a perfectionist (She taught.. "Doing your best at all Times" AMEN

She also had a great since of humor , I enjoyed working weekends with her, we often talked of religion, Family and of course food! Ice Cream!!

I appreciated knowing Mrs Naset, I love You!
