“ Bill was a loyal and true blue friend! I hadn't seen much of him since he stopped selling hay. I purchased hay from him exclusively for years. I was unaware of any issues with bill and I do not get the newspaper out in the country where I live. I am so deep in sadness of his loss for his wife and family. I would like to extend my hand out to his wife who often came along with him to deliver hay and I've been to their ranch many times. I can not express my shock. Please reach out to me I wish to help you in any way I can Ben if it is a friendly cup Of coffee

“ I trusted and had work done at BB under Bill Beach for 20 years. He serviced my Chevy's for that length of time. His shop rebuild a transmission for me and the truck ran another 200,000 miles. He was the best. He is one you could trust and would tell you the truth. I'll miss his guidance and considered him a friend.

“ Just learning of Bill's passing. He was a friendly and honest man who had rebuilt transmissions in my daughters car and in my 1966 Mustang. He actually found a transmission for the mustang - very hard to do - and rebuilt it at a good price. He always went above and beyond to help his customers and I enjoyed dropping in occasionally to say hello. My condolences to his family.

“ I stopped by the shop today and learned of Bill's passing. From the very first time we spoke Bill treated me as if we had been lifelong friends. He was the guy that made everyone feel welcome. Whenever we stopped by the shop Bill would just beam when spoke about his family or horses. He radiated kindness and joy. The kinda person whom always left me thinking I hope I can be half as good and joyous a human as him. Bill, I'm sure I'm only 1 of many people who is ever grateful to have known you. Rest In Peace you will be missed.

Linda and I were deeply shocked and saddened to here of Bill's passing. I was just recently in his shop and as always it was a pleasure to see Bill with his ever present smile and contagious good nature. We talked about motorcycles and family as always, and he shared with me stories of work at his beloved ranch. A more honest and decent man would be hard to find. Our condolences to the family and those who were touched by his kind heart.

Margie and Donna I am so sad to just learn of this today. I just loved your son and brother. I trusted him with all of his knowledge of automobiles. He was just a chip off the block of Bobby and Margie. Many years ago we camped and shared lots of fun as families together. God has picked another flower for heaven. During your sadness Margie please take solace in knowing that Billy was a product of you and Bobby. My prayers are for you in your great loss and that God will comfort you. An old friend.
