“ *Missing you daddy. The most difficult 4 months. It feels like it's getting harder and harder to live these days without you in them. Leaning on Jesus has been my greatest strength. You taught me that. I love you.*

“ You are resting now in heaven, free of pain in your new body and your dream fulfilled of finally seeing Jesus face to face and reunited with Mother, Dan, your daddy and those that have gone on before you. I’m sure my mama thanked you for taking such good care of me. I was so incensed blessed to share a life with you, my true soulmate and I’m forever grateful for the memories we shared. You always said you would be lost without me baby and I’m truly lost without you. Like our song “soulmate” said, “Until I get to heavens gate, I’ll wait...If I go first sweetheart, I’ll wait”...I’m holding you to that. Dance free with the angels baby. I’ll love you forever-Susan-
