“ We had the privilege of being Meadowbend Ct. next door neighbors of the Patterson Family for about 10 years we got to know the family very well, we vacationed to the keys for sport lobster 5 years in a row and each year we did it brought us closer together to a wonderful family. BJ was for sure Billy's Boy hard working, dedicated, loyal man, integrity & ethics were instilled their genes, he was such a good man & neighbor. I remember watching him practice casting a flyrod in the cul-de-sac in preparation for an Everglades trip with Dad & his uncle he was a first-class angler for sure. To this day Julie (my wife) & I talk about our time with the Patterson Family, the fun, the parties & vacations & just being neighbors' day to day with them and we're forever thankful.
