“ Mrs. Stacy & Blake, I dont know what to say other than I am so very sorry. I cannot believe this happened. Lil Blake has taught me so much. Without him I wouldnt have done a lot of things that I did when I was younger. He gave me the courage as a girl to do things that most girls would not do. We all love you guys, and he will be greatly missed by everyone. <3

“ I'm so grateful to have known Blake. We may
have grown apart over the years but when we
were little we were best friends. Blake, Tyler
Freeman, and I were inseparable. We did
everything together. I'm so glad the three of
us grew up in the same neighborhood. Whether we were in Blake's
room listening to him play his guitar or jumping on the trampoline till
the sun went down, we were always laughing and having a good
time. I'm blessed to have had you be an impact in my life. My
childhood would've been nothing without you. I love and miss you
Blake. Rest easy<3

“ My heart goes out to the family and friends of Blake during this hard time. Blake was a very fun and nice person to hang out with, Even though me and him weren't close, I still considered him a friend. Every time I did get the chance to talk to him, he would always put a smile on my face and now there's not a second that goes by were he's not on my mind. You will be missed Blake.

“ *As Blake's Spanish teacher at Plant City High School, I was saddened to hear the news of his passing. Blake, known to me as "Carlos" and then "Nacho," always had a smile on his face. I will miss seeing his smile and our shared "hola's" in the hall. My prayers and thoughts are with the family ---Meg Jordan.*

“ Blake was a very special young man at PCHS. My last words with him on the Friday before spring break were him asking me where I had been? I am an Assistant Principal at Plant City High School and he actually noticed that I was not there on Wednesday or Thursday and was concerned. He was a polite young man who was quiet and always smiling. He always greeted me and his charming manners will be greatly missed. He also took my son under his wings when he transferred to PCHS and for that I will always be grateful. I will truly miss this young man who was taken from us way too early. My prayers are with his family and friends for today, and the months to come.
