LaRue was one of the sweetest women I ever met. She was a beautiful soul that I found memories of.

“ *I will forever remember sitting on the swing in the backyard with LaRue, at her and her husband's home, in Florida. She had a "Guacomole Tree". I often think of her when I'm eating avocados and smile at the memory. Her son Fred has her gentle disposition. I know she was so very proud of him!*

“ When I found that Aunt LaRue had passed, I thought about what I could write to her children, Fred and Evie, that would bring them comfort. Losing our moms is one of the deepest sorrows a heart can know. I know you are sad that your mom has left the Earth, but imagine the joyful celebration in Heaven, Jesus and all of our loved ones that have gone before have welcomed her home where she is in her brand new body suffering no more. We all will miss her so much, as we do our own parents, but I know we never lose people that we love even to death. Her goodness, her caring, her spunky personality and her wisdom live on like a legacy of love that will always be with you. May that love surround you now and bring you peace. Love Nancy, David, Andy, Tim, Holly, Parker, Rylee, and Greyson Hicks ❤️
