“ Dear Patsy and Scott, I am so very sorry to hear of the passing of Bobbie. Having just talked and laughed with him at the 4-H Leadership Dinner just 3 weeks ago, I was shock to have heard about his passing. We always laughed and shared fun times that we all had in the 4-H Program years ago, He would share the pictures of his grandsons whom he loved very much, which was evident in the sparkle in his voice when he talked about them and compare their pictures with a younger Scott. Bobbie was a kind and gentle soul and I too will miss his smiling face and I will never forget him. May God comfort you all in this time of grief and keep you now and always. With Love and Respect. Jackie Hunter Hillsborough County 4-H Agent###imported-begin##Jackie Hunter###imported-end##

“ Patsy, Scott and family, Hope it helps to know that others care and share your grief! May God provide you with strenth, courage and a peace from God which surpasses all understanding, as only HE can. May all your wonderful memories help to bring each of you great comfort in the days and months ahead. Please accept our condolences! Much love and prayers.###imported-begin##Sam and Carol Conrad###imported-end##

My prayers and thoughts are with you and your family members. Yours in Christ, Jessie Finlayson TBT###imported-begin###Jessie Finlayson###imported-end###*

January 17, 2011 at 08:32 AM

“ *Dear Patsy, Scott and Family, My thoughts and prayers are with your family during this time of loss and remembrance. I am thankful for the many childhood memories I have from growing up next door. Bobbie always entertained us neighborhood kids with plenty of fun times and laughter. The trips to the store for Ices and the Saturday night card games. I remember one of the times while riding with Bobbie to Keysville in his red volkswagon, I had asked him what the red button on the dash was for(after pressing it of course) and Bobbie replied 'it turns off the brakes', then he pretended the car had no brakes. Bobbie will be missed.###imported-begin###Rodney Free###imported-end###*
