“ I didn't know my PawPaw very well but I will forever be grateful because he raised my Grandpa Bobby Gerald Davis Jr. and he became the amazing man that he was. It's all thanks to my great grandpa Bobby G. Davis Sr. I remember the last time I saw him, he was in my house and we all sat around my dining room table and told stories. I wish that I had gotten to know him better, but he's happier and in a better place. Love you pawpaw.

“ Daddy,,, I just wanted you to know that in my 57 year's of life this is one of the 3 hardest heart break I've ever had to endure. We had our ups and downs. Agreements and disagreement. We have learned to forgive but never forget. I miss you so much my heart feels like it isn't even here anymore. We as in what family we do have left a few went their own way. It breaks my heart because this is when you need your parents the miost. But none is heart to turn to. It's ok that you're resting with Gerald and moma, granny granny, bimmie, pinpal. Lil Miss Riley Jean. If you was here to see my back ground on my profile the smiles on your faces. It's priceless. But your doing better. I hope you all are dancing and have a great time. Till we see each other again. I love y'all. And so deeply miss y'all rest in peace polecat, palpal, daddy.

*Well Dad, it's been 6 years since you went home to your whole , healthy self. You're with 2of your children Gerald and Sissy. Your Bimma & Penpal. Mom and Granny Helen. You're playing with the our Princess Riley bug too. All those that have gone before and after you. You have more family with you in heaven than I do down here. Some days are bearable, some not so much. They say grief is the price we pay for love, I must be a millionaire right now. Sammy & Tony miss you too. Lennon & Kristin love you and miss you tremendously. I'm just winging it with all the knowledge you gave me to prosper through this life. I'm happy with Raad as my partner. He miss your laughs and wisdom too. I wish I had called you on Saturday before you passed on. But I can't live with regret. I love you Daddy. I'll forever be your baby girl. Toodles, tats, adios, cha cha, peace out polecat. ☐ 😞💔*
