“ My heart breaks for all. Smitty was the nicest guy and he will be missed by many. I have such good memories of the times we spent together, the Brockton Fair, the cook outs, the kids, the Cobra and our short time on Cape Cod. I am so glad I had the chance to be a part of his life, He is one of a kind. Love to all.

“ *My dad, I miss you so much everyday my heart hurts more instead of less. Austin says good night papa every night before bed and as he gives me a hug and kiss for bed he kisses your lion ring on my hand that you always had on. I'm trying very hard to be strong like you asked me to be but its harder than I thought. I am so proud you are my Dad thank you for all the life lessons you have taught me...*

“ *So many memories that will always be treasured and so thankful you were part of our family . Smitty will always be remembered pushing people around. God must need a new wrecker driver for his track in heaven. Memories of days gone by and faith that you are with our Lord Jesus will get us thru this. Praying for all who's lives you touched and filled with memories.*

*We are saddened by the loss of Bobby but know our Lord had a plan and still has everything under control. Treasure your memories, love one another, and never doubt how much Bobby loved each of you. He was a nice man with lots of stories to share, he will be missed by many. No more pain, no more suffering...he is whole again and driving that wrecker on the streets of gold. Love to each of you during this difficult time.*
