“ Bobby was my cousin and I have many fond and fun memories of our times together. Playing at grandma’s house, a lot of pretend play as kids, sitting on grandma’s fold away bed pretending it was our stagecoach, riding our horse Diaper Dan that always bucked us off, riding bikes, avoiding a childhood town bully, getting in trouble for laughing uncontrollably at church, etc. etc. So loved seeing each other at Christmas time. You will always be remembered. Love you Bobby.

“ I remember when I was a young girl, Bobbie (my cuz) was a teenager. My uncle Ray bought me a new swing set , the seats in swings & teeter totter were made of white molded plastic with holes in them. Bobbie stuck his finger thru one of the holes & got it stuck in there. My uncle refused to let us cut on this new swing set. I still remember Bobbie yelling owie owie. Finally, with soap, oil & water we got his finger unstuck.
