“ *Papa,
I love you so much. You're literally the only man I looked up to growing up, and still are. You took me in as a baby as your own grandchild, but didn't have to. Most people don't even know we aren't blood related, because it didn't matter. That is the kind of man that you were. I hope that I'm half the person in this life that you were. Times we went fishing, cooked together, or just sat and talked for hours will be the memories I cherish the most. The world shouldn't be without you, but I'm just lucky you were apart of my world. Rest easy, Papa.*
