“ Dear Bonnie, I'm so sad to hear that your not here anymore. I know your in a better place with Jesus. And I can't wait to see your smiling face again. One of my fondest memories is going to one of your birthday parties. I believe we were still at Pinecrest Elementary together then. And Your mom had cake of course and also sherbert. Orange sherbert to be exact. I had never tasted it before and was not sure about eating it. But we we're both raised to be polite and not say " I don't like it". And I remember your brother Chuck was there and thinking boy he sure is cute. Thank you for being such a kind and caring friend. My prayers are with your family and my condolences. Love you Bonnie. Forever in my heart and memories.
