“ *My very best friend in the world* ❤️

*To Those I Love
If I should ever leave you whom I love
To go along the Silent Way,
Grieve not,
Nor speak of me with tears,
But laugh and talk
Of me as if I were beside you there.
(I'd come-I'd come, could I but find a way!
But would not tears and grief be barriers?)
And when you hear a song or
See a bird I loved,
Please do not let the thought of me be sad...
For I am loving you just as I always have...
You were so good to me!
There are so many things I wanted still
To do—so many things to say to you...
Remember that I did not fear—
It was just leaving you that was so hard to face...
We cannot see Beyond...
But this I know:
I loved you so -
Twas heaven here with you!*
