“ Even though it has been too many years since I have seen Brad, I feel like I have lost an earthly brother as well as a spiritual brother. I spent so many happy days and nights in the Heaton home while growing up. Love all of you.

“ *Wanda, Chad and Lori, we are so very sorry for your loss. It has been many years since we have seen you, but we have many fond memories of spending time together when we all went to the same church many years ago when we still lived in Plant City. May God comfort you and give you strength during this very difficult time.*

“ *Brad and Wanda used to sit behind us in church services which started an amazing friendship. My oldest called Wanda Mimi so naturally they became adopted grandparents for my babies. Brad would asked me everytime how I was doing when I would walk into services. I loved hearing that low tone of his. We will miss Brad tremendously. We are praying for Wanda and the family.*
