“ To the Porter and Copeland Families and all the friends that mourn the loss of Breland Porter, I offer my deepest sympathy to you- words cannot express the depth of the sorrow we feel. I pray that God continues to give you the strength to cope with this very tragic and sudden loss. Breland was such a special boy and God blessed him so that he could bless all that knew him.

“ *Pastor Porter, Bro. Bill, Braedan's parents, family near and far and all who knew this sweet young fellow:*

No words cannot express how saddened we all are to hear about your loss. Please be assured that we are remembering you all in prayer, and remember that the Lord is the everlasting GOD, the creator of the ends of the earth, He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint. Isaiah 40: 18-31. Braedan is just one step away.

“ My dear sister LeQuita,

Words cannot express my profound sorrow in your loss. Please receive my heartfelt condolences. You, Bill, Evita, and Brian have all been in my prayers since learning of this tragedy. I will continue to pray for your strength, comfort, and healing.

Additionally, I extend condolences on behalf of my mom, our AUBA pastors, and the entire African United Baptist Association. What a bright light Breland was! Many of us in Nova Scotia felt we knew him through your sharing of his light with us. We have followed his growth and progress through your pictures and stories. He was, and always will be #GanasJoy.

We have not ceased from praying for all of you. May your hearts be comforted by the words of the Savior in Mark 10:14 (NIV): “He said to them, ‘Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.’” As you and I marveled, it seems Breland came and completed his earthly assignment. He was a joyful ten-year-old who had such a powerful impact in the world. Now he is safe in the arms of the Lord in the heavenly home prepared for him.

May God envelope you all in the same perfect peace Breland now enjoys.

“ On behalf of the Ministerial Team, the Diaconate Ministry and the entire Church family at the East Preston United Baptist Church, we would like to join in expressing our deepest sympathy to all of you on the passing of your loved one, Master Breland E. J. Porter. Our church family was devastated to hear of this heart-breaking tragedy and have been faithfully lifting the entire family in prayer since hearing the news. The sudden loss of someone so precious and dear to us is never easy but know that you are surrounded by people that love and care for you and share in your sorrow. Although we didn't get the chance to meet Breland in person, we often heard many heartfelt stories about the character of this amazing little person through our former Pastor, his grandmother, Rev. Dr. LeQuita Porter. He was a gifted child who possessed a wealth of knowledge far beyond his years. These stories will remain in our hearts forever. Although there is a great emptiness left by his passing, remember that God is our help and strength. HE will wrap HIS comforting arms around you all in the difficult days and months ahead, and keep you close. May the precious soul of Breland, rest in eternal peace. *Philippians 4:7* And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.
