“ Brandy, We've been best friends for almost 30 years now, that's along time to have someone in your life & heart!!!! To share so many things with, the ups & downs, the good & the bad, happy or sad, we did them all, and still remained the best of friends!!!! How I miss you already!! It will take more than time getting use to you not being here!!!! Mere words can not begin to express the pain & heartbreak I feel!! This was such a shock!!! I've always just assumed that we [us] being so much alike, having so many things in common, both being aries, being the same age, our birthdays being 1 week to the day apart, our first names being Brenda, our dad's birthdays being the same, we both had significant others killed on the job, [& you know the list goes on], I've just always thought , took for granted that we had many more years ahead. My heart breaks that your gone, it won't be the same without you!! That's for sure!!! I know your with the lord now & all is good !!!! I can see you on cloud 9, playing & laughing with Angel [& Blue is there to] , I haven't seen you smile like that in awhile!!!!!!How HAPPY you look!!!!!! Know I'll see you again 1 day!!!! ALWAYS YOUR BEST FRIEND, Susie

“ We wish to express our most heartfelt sympathies in this time of sudden grief of our friend, Ted, with the passing of his beloved best friend, partner and wife, Brandy.

*Ted, please know that you do not walk through these days alone. First of all and most importantly, there is our Saviour, Jesus Christ, who promised never to leave you alone or cast upon you more than you can handle. You may be asking why, pleading when you have no one around, not wanting others to see you as a caring and loving husband grieve. Fear not for the answer to your question is in God's hands. Brandy had a purpose here on earth and that purpose was fulfilled as Jesus on Monday whispered in her ear that only she could hear, "Come home my good and faithful daughter. Your work on Earth is finished and I want you home with me. Do not worry about Ted as his work is not yet finished. I have Angels watching over him helping him continue his walk without you by his side."*

*If we can do anything for you, we are here. Our prayers are with you and the rest of Brandy's family. We know that all of you are comforted by the arms of Jesus. We wish you peace and comfort.*

*With love and prayers,*
