“ *Ms. Brenda was a kind and thoughtful person. She always had a smile and a hug for me. She asked about my family and we chatted about hers. She would share stories about her grandchildren and was so proud of each and everyone of them. I tried for nearly 5 years to convince her to call me by my first name, "Christa", instead of Mrs. Luke. She would laugh and tell me it was just her "way" and she couldn't do it. :)*

We worked together at Bevis Elementary for 10 years. I remember my very first year at the school, when I didn't know many people well yet, I would go down to the cafeteria and chat with all the ladies in the kitchen during my planning time. They always welcomed me and had a funny story to share. It was heaven to be in there with all that delicious food they would prepare!

I will miss her warm smile, her kind way and her hugs. She was a big part of what made Bevis the special place it is and she will be surely missed.

My sincere condolences to her family.
