“ *Brenda will be very missed. She was at my wedding 6 years ago and she gave us the best hug. I had just met her and she already excepted us as family. Sge gave huge hugs that I can still feel, 6 years later.*

*Though we didn't get to spend as much time with each other as we would've liked too, I will always remember how kind and thoughtful she was. She was smart and you could always count on her to be there for you. I wish we had had more time together. God bless Brenda*
