“ *This morning I read 'Brent Lance' stenciled on the rear window of the truck next to me; and the years noting when his life began and when it ended. I didn't know and I prayed for your comfort. Brent would occasionally stop by the Ft. Alafia Antiques store to say hello and give me an update of his life-always positive and upbeat; always spoke proudly of his parents and was eager to introduce me to his fiance' and baby girl. Peace be with you.*
