“ There are no words that can express the pain that is felt as your Auntie. My heart is broken yet still filled with love that you are my nephew and my forever superhero. You were and will always remain the most precious person not only in my life but our family. I can definitely say the day god blessed your mum with you he smashed the mould in many pieces. You touched so many with your love, warmth and showed that anything is possible always with a smile. I love you so much forever and always. I promise to do my best to love and take care of Papa and your Mum as you did. Love you kiddo xx 🇧🇷🇩🇪🇮🇹🇬🇪
