“ Oh goodness where do I begin! Between the late night line dancing, falling backwards into a swimming pool (on accident of course) taking a ride in your mustang, then it was the truck, we became such good friends! Having those memories has brought me some comfort. I feel that to have known you at all was a gift! I am so thankful to have you in my life. Brittney was an amazing person who I admired because she was Brittney. She knew how to cheer people up when they were down. Know that she will be missed. LOVE YOU AND MISS YOU!!
