“ Lynda and Family, I am sorry for your loss. I may not have seen Dale often but we always had a smile and a happy time together. As far back as the days of having to go to Jacksonville for the Military physical, I can remember Dale. When they had role call, they called out for "Dole Bryce Weaver", in another row of possible inductees, I heard that familiar voice yell back in typical Dale fashion, That's" DALE BRYCE WEAVER !! " I got a real dirty look from the Army guy when I chuckled out loud. It was a tough time for all of us, cause we didn't know if we were coming home or going to war. Dale helped me to have a moment of laughter in a troubled time. We may not have seen each other much, as with a lot of my school mates but we were friends and I never will forget him . May God bless you and Family during this time of your loss ,  
Sincerely, J.W.(Jay) and Wilma Parrish

“ Dale,  
You were such a great guy. We really had a lot of times together with you and Linda. You were one of the greatest George Jones impersonators I have ever heard! May you rest in peace and say hell-o to Geroge for me. Love you, dearly!

“ *Dale, wow time it gets away so fast. I am one of Dale's many cousins on his Mom's side of the family. I haven't seen or talked to Dale since we were kids. The one thing that always stood out to me about Dale as we were growing up is that he was so good looking. He was always cool as a cucumber. And always smiling. I really didn't know Dale as a 'grown-up', but I better he was always cool as a cucumber and always good looking and always always SMILING. Good by Dale wish we had had more time.*

“ *My Memories of Dale:*

*I smile with my memories of Dale from our days at TCHS class of 64. Dale was always jovial and friendly in our school years. A ready smile greeted those he considered friends. As with many of us after graduation our paths took us in different directions, but in reconnecting at times over the years through business or occasional meetings in town, it was always great seeing him again and getting a friendly handshake and a warm smile. Dale, thanks for the good times at TCHS and your warm greetings over the years.*

*My warmest regards and condolences to his near, far and dear family members and friends.*

*God speed my friend,*
