“ I am a distant relative of Butch. My sister, Ginger Colding Fortner, and I had many precious memories of the, ToneMaster Quartet area. Jake, Harry, Alvin, and sometime base singer Arlen Taylor. Those days hold a special place in my heart. Linda, may you find Jesus' peace close and His love unconditionally.

“ Butch and I were first cousins, our fathers being brothers. We visited Jake, Lula and family quite frequently, driving to Tampa from DeLand. When we moved to Tampa early 1958, I was soon involved in playing for several quartets in the area, the last being the Tone Masters, Jake's quartet. When my folks moved back to DeLand, I lived with Jake, Lula and family, along with Alvin Taylor. We kept house, cooked and traveled together to do singings. Butch played Bull Fiddle, and occasionally we would strap that bass on the car for Butch to back me up. Later, we re-connected in Emporia, FL to dedicate a piano in my mother's memory. We arranged to go to Dry Prairie and did several singings with Alvin, Butch and our group, the Coldings. We have good memories of those times and were pleased when Butch and Linda married. We offer our support to Linda and the family and friends and ask for God's grace and peace in this time. There are several DVD's of those singings.

Blessings and Prayers do richly abound, Jim and Susan Colding
