Calvin Russell—an outstanding Air Force military and civilian leader and friend. He leaves us way too soon. My heart breaks for your family and extensive professional network across CENTCOM and SOCOM Headquarters. Calvin would tease us when we were behind at work—saying, “You’re killing me, Smalls!”...a reference to the movie, “The Sandlot.” Calvin...”You’re killing me, Smalls”. I hate you have left us so soon. You were the bright light in a difficult mission. Thank you for spreading smiles during the storm. Rest in peace. See you on the back 9. 🙏 🖤
