“ Oh my Carl James, how I am missing you so much. You were and always will be everything to me. No words could ever explain how you have touched my heart and soul forever and ever and I will cherish it always. I know why you kept playing that song "Roses Will Bloom Again" for me, and maybe some day they will, but it doesn't seem like it. I know all of your pain and suffering is over and you are rejoicing in heaven now. I will meet you there someday, but until then, I will be missing you every single day!! Love your John Edward...Always and Forever!!!

I loved my cousin Carl, I have many wonderful memories of our time together when gathered in prayer, He would invite me to listen to his sermon and I would tease and say as long as it's not on forgiveness! He would reply "Oh that's the subject" Thank you for your love and heaven is brighter today!

“ *Our sympathy and love , along with our prayers, goes out to Sis Deatley and the Mullis family, in their loss of Carl. I loved him and will always remember his beautiful singing voice, and his kind nature. Linda Barrile always loved him singing Beulah Land, well now she can hear him sing that again, as she was there waiting for him. He will forever be missed! RIP Brother Carl, you have earned your wings! Love you always. We will join you one day!*
