“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

We were so sorry in hearing of the passing of Carl.... He was a good friend growing up together and always had my back.....We drifted apart as we got older but the memories of hanging together and the things we used to do and sometimes get in trouble doing them will always be there in my mind.

Please know that even though we cant be there in person , that we are there in spirit and ours prayers go out to his family.

If the future seems overwhelming, remember that it comes one moment at a time.
