“ Sis Carol was such a blessing to all, just by walking in the door. Her smile just made your heart melt! I was so grateful to get to know her in the past year. I loved visiting with her and hearing her stories. No matter how bad she was feeling, she was always positive, and found the good in everything. She had so much love for her Lord & family, and you can see that love through each one in her family. You walk in the door, and you feel the love as strong now as ever. Sis Carol was such a wonderful part of our Healing Hearts. She brought so much joy to our meetings! Last month was such a wonderful surprise when she was able to come. I will miss her so much, but am so grateful the Lord gave us this past year. I will never forget our talks. I love her so much!

“ Carol was such a dear person to us. She wasn't just family, she was a really good friend. Doc told her often that she was one of his favorite people in the whole wide world. We always had a good time around Carol, Sam and the family(ies).

She was fiercely devoted to her Lord, her family and her church.

She was a true example to us all of living a Proverbs 31 life.

We will miss her terribly. Our hearts are sad here, but we rejoice for her and that blessed reunion with so many she has longed for.

Our thoughts and prayers are with all of the family.

I had the honor of working with Carol as a service representative in Tampa for GTE. I learned a lot from her. She was one of those welcoming loving women who everyone loved. I was able to attend on of her picnics at her home several years ago (before Sam passed). What a wonderful hostess. I always enjoyed her Facebook posts and know how much she loved her family and God. Carol will be greatly missed by all that knew her.

Carol was one of the blessings God bestowed on people who knew her. We worked together @ GTE but my greatest memories will be our monthly luncheons. She and Mr Sam loved to come to them. I loved both of them. It's gratifying to know their fi destination is exactly where they wanted to be.
