“ To my cousin, Kerri, be strong and remember your Mama loved you dearly and knew it before she left us. Remember her holding you and giving you little kisses and smiling. You are and will always be her little girl. Your family and friends are always here for you. Remember the wonderful times with your mother and make those memories your strength and always keep your faith in knowing you will see her again. Love you, and miss you.....D.V.

“ If you only knew the joy it was to be able to see my aunt Carol look at me and smile. Even knowing she had so little time with us, when does anyone get the chance to say goodbye to a loved one before they leave us. Her strong faith and caring heart made her happy and gave her the best gift that we could ever have here on earthfriends. Friends that turn into new family. Thank you all for loving her as much as you have. D.V.

“ To the family and friends of Carol. May Jehovah be with you during your time of grieving. Remember the resurrection hope. Jehovah loves us dearly. As we continue to pray for the end of this wicked system; continue to have unshakable faith in what Jehovah promised.
