Thank you for sharing this! I worked with your mother at Medco and also live in Zephyrhills! It seems like yesterday I ran across her and we talked for awhile! She was such a nice person and will be missed!

“ When I met Carol in the 70's, what struck me the most was her extraordinary beauty and her complete humility. I truly admired her. That is how I will always think of her as Beautiful and Humble. Rest in Peace Sis.

“ Thank you for being a dear friend to my mother, a godmother to my son Aaron. As sorrowful it is knowing you are no longer here, there is peace in knowing that because of Christ's death and resurrection, you are in Heaven, where we all long to be. No more pain, no more suffering, only peace. Until we meet again. Love Kim, Stuart, Aaron, Joshua and Madeline Fuller.

“ To my mama— Words can’t express how beautiful of a soul you were. You were a bright, shining light in this sometimes dark and difficult world. But you never saw it that way. I don’t think there will ever be another person who will be able to emulate your positive nature and absolute wonder and dare I say, innocence. Your life was filled with joy and difficulty; amazing moments and tragic ones. Yet, even though you’d been through so much, you always found a way to love. You supported me when no one else would, and I always knew I could share my troubles with you and that you would help me overcome them. I promised you that I would do my best to share your beautiful gift of light with the world, and I will do my best to fulfill that promise. I will love and cherish you forever. Thank you for all the beautiful gifts of love that you have given me over my lifetime. — Love, Your Rosey girl
