“ I was very saddened to learn of June's passing. I worked with June when she was at Dover Elementary. I was the school's media specialist (back then the librarian). She was always friendly and supportive of my programs in the library. Thoughts and prayers to the family. June spoke dearly of her family which I always enjoyed.

“ June, though now gone, is a cousin of mine, too, like my sister, Iris, and though we have lost contact over the years, I still remember her fondly. I'm glad to know of her family here in Florida. I live in Palm Harbor and would love to hear from any of her family. I keep a growing family tree and always pleased to add new branches and share what I have.

“ If it weren't for Aunt June and Uncle Bobby I would never have met my husband, Gary! They set me up on a blind date in 1968 and we've been together ever since, I am blessed to have had them both in my life. Aunt June will be missed by all who knew her.

“ June was a cousin to me We were the same age and spent many summers at one another’s home. We rode our bikes to the small town of Batesville, went swimming at a nearby pool and just enjoyed being together. Although we lived far apart as adults, I cherish the memories. May God bless her family with comfort.
