“ Dear Nannie,

Thank you for loving us so much. Thank you for loving our children - we feel your love everyday. We send millions of shining brilliant stars from deep within our hearts to you - I call them "love stars" - I know that as a mother you know how these love stars work as you have sent your love stars to so many. And we have felt them, although we lived miles and miles apart. In my heart I know you feel our love stars a thousand-fold, much more that we can possibly feel on Earth, as I know that love is boundless, and transcends above and beyond what we feel here in the physical. Your love and kindness, your loving messages and notes for Brent and our children, your many thoughts and prayers, you love us endlessly; we are so blessed. We love you Nannie, and know that you smile your beautiful smile upon everyone from Heaven. We will see you again in due time; for now, we know you are at peace in the arms of our Father. You are celebrating with your loved ones there. You are home.

*Sending more love stars to you,
The Martins*

“ So sorry I didn't go by and see you Sunday. I thought I would have another chance to see you. I will always remember how you and Uncle Pid took us in my last year of high school so I could graduate from Turkey Creek High School in 1965. Love you, Aunt Imogene and I will see you in heaven one day. Love, Sarah Jo
