“ Catherine was the most loyal, precious , lovely lady, you could ever hope to be blessed with as your friend. It didn't matter what your need was Catherine was at your side wanting to know what she could do for you. We lived away for 20 years ,10 at a time, when we returned she was among the very first to make her way to us to tell us how much she loved & missed us. Heaven received another wonderful soul with Catherine! We loved her so much💕🙏

“ Aunt Catherine was a big influence in my life. She allowed me to stay with her son so many times when we were young. She was a great conversationalist and sometimes difficult to get away from cause she loved to talk about anything and everything. When my family moved to Florida, my parents didn't have a house large enough for the whole family, so I moved in with her and her family. Her children were more like siblings than cousins and she was my second mother. I will always remember that time with her and her family and I'm eternally grateful for it. Condolences to her family as she will be missed so much.
