“ It’s so hard to believe you are not with us anymore. I cherish the time we had together..... I miss our Sundays we spent together sitting on the porch watching the kids play in the yard. Then eating KFC for dinner and sitting around laughing and talking all night. You are very special to me, I will miss you always.

“ As we are grieving here on Earth there is a celebration above. I know that you were met at those pearly gates by Granny and Uncle Buddy and you are getting the grand tour of your eternal home. We love you and you will be missed by so many. We will see you waiting for us one day. Rest in the arms of the Most high.
