“ To my daddy, I hope you knew how much we love you. You taught us the importance of hard work. You gave me such a strong foundation and taught me how to be tough! I will forever cherish your last words to me! ... I just wish we had more time old goat! "yea, when the flesh and heart shall fail, And mortal life shall cease: I shall profess, within the veil, a life of joy and peace." Rest in Peace Daddy. - Tiffany

Love you so much sister and even though it seems as if everyone else would like to pretend we don't exist, we know the truth, and so does God and that's all that matters in this life! We were the first loves of his life and I know in my heart he loved us until his last breath just like he always promised.

I am SO glad that you two girls "exist" and so was my brother. He loved you both so very much. Always remember that. You taught him how to be a daddy and that's a role he relished.

“ *We have lost a wonderful Husband, Father, Grandfather, Brother-in-Law, Son-in-Law, Uncle, Friend, and so much more. Charlie was more than just a part of our lives, he was a part of who we were. There is now a hole in our hearts that no time can heal. There's a forever emptiness that nothing will fill. The pain will be endured until God calls us to him. We need to remember him as the amazing man he had become. The hard working Husband and Father he always was. God has helped this man to overcome so many demons and obstacles and has worked them for his good. He is now with our Heavenly Father. He will always be in our hearts, his memories will forever be cherished. And I know he will be up in Heaven smiling down on us until we meet again.*

Met Brother Charlie 2 years ago at the Cross Point Ministries Thanksgiving Banquet in Blairsville, GA. Also was able to travel to Florida with Pastor Alan Flowers and enjoy a service at New Life Bible Institute where Charlie attended. I learned very quickly to love this man of God. I know where he is and will join him soon in Heaven.

Melinda and family, please know you are being thought of at this sad time for all of you. We will never forget the fun times we had with your family, bike rides with you and Charlie and being there for us in our sad time. We will treasure all of those memories. Please know that people care no matter how far apart life takes us. May God bless all of you. Feel our hugs. Love, Val and Harry Pinero
