“ Pat,
It's been a long time since we've seen each other, but I think of you every Sunday when we pass your old house in T.T. on our way to church. You & Charlie had a good life together.. I'll always remember him with his pipe & he would tease me about our last names. My condolences to you and the family.

“ *I have many memories of working with Charlie as Field Engineers at Tampa Electric. We were together at both the Ruskin office and Tampa Central. When I think of Charlie it's with his pipe and saying "Yep,yep,yep".
Our thought and prayers are with his wife and family.
