“ *Pam, I am so deeply saddened by the news of Chucks passing. Please know that our family will keep you and your family in our prayers. Sitting here now I can hear Chucks laughter and I can fondly remember those many great years that I had the priviledge to have Chuck as a business colleague and friend. I know Chuck had a great faith and we all can take solace in knowing that he is where we all hope to be someday.##imported-begin##Rick Grimm##imported-end##*

“ Dear Pam, On behalf of the Zukowski family and the even larger "Euclid" family, we extend our deepest sympathies to you and your family on Chuck's passing. He was such an enthusiastic "fireball" and motivated salesman for Euclid. Always had a smile and a never-ending work ethic and desire to be #1. Mr. Z and the rest of us were proud to have him as part of our team! Best wishes.##imported-begin##Michele Zukowski Canty##imported-end##

“ *In my line of work, I try not to get too attached to my patients. I found that impossible with your family. Having served as your pharmacist for almost 8 years, you all feel like part of my family. Before Chuck got sick he always told me he was "livin' the dream" and I believe that he was. May God truly comfort all of you.* ##imported-begin##Stacey Breuggeman##imported-end##
