“ *Chuck was such a wonderful man! I was blessed to know him through a dear friend of mine, who happened to be his mother in law. You couldn't know Chuck without knowing his precious wife, Debbie. They were one and exemplified the meaning of unconditional love - for one another and those around them. My heart hurts for Debbie. I will keep Debbie covered in prayer. Much love, Joanie Baker, Copperhill, TN*

“ *He was our nextdoor neighbor for about seven years, always respectful and willing to do anything that we needed done. He put up with our less than perfect children and my husband's noisy race car. He and Deb remained our friends even after we moved to Arkansas, he will be missed.*
