“ One of my fondest memories of Charlie, he was dating my daughter Jennifer and I had come in from work and I found Charlie making a cup of coffee, and I said to him what are you doing, he replied just as sweet as he could I'm making a cup of coffee would you like me to make you one. I said Charlie this is my house I should making you a cup of coffee. He was a good boy and I always feel safe when Jen was with him and now they are together again in heaven. 💔

“ Betty and Family, We were were shocked and saddened to hear of Little Charlie's passing. Such a young man! We pray that you and the girls are being surrounded by loving care as much as Covid will allow. We have memories of a patient and funny young man who kept our three entertained for hours when they were little. His smiling face had a sweetness that showed his heart. We pray strength and comfort for you especially, Betty. You are right, no mother should have to bury her child. I'll bet he and Big Charlie are having a Heavenly reunion and asking Our Lord to comfort you and the loved ones they look forward to being reunited with one day.
