“ Mr. Simmons was so brilliant in many ways. His smile and laughter could lighten any space. When safety concerns arose and oversight would fail to acknowledge the issue, he would fix it because he genuinely cared. When work pushed us to the end of resolve, Mr. Simmons was there every step of the way. When ridiculous confrontations arose Mr. Simmons could draw a cartoon about it and post it publicly to shed light on the unjust. You could always count on Mr. Simmons. God bless you Charlie and may you rest in peace.
