“ Sullivan family, my condolences on the loss of Chuck.

We were flying buddies for years, worked on Nemo with him and enjoyed many formation flights all over the state with my Cessna 210 tucked in close to the Ercoupe. Chuck enjoyed flying in formation and dreaming of building new versions of Ercoupe's for the world of aviation to enjoy. He always had interesting stories to tell of flying in the military, and those pesky check rides that got under his skin. He's flying high now, no check airman around to critique his flying skills... just flying west.

Kindest Regards, Jim Barrett

“ To the Sullivan Family,
Chuck and I were high school friends and we had lots of fun together in those days. He had a great sense of humor. We lost touch over the years, but I am happy to see that he pursued his love of flying. I know he will be missed by all that knew him. My sincere condolences for you loss. Many prayers for you all.
