“ I have been very blessed to have met Charlotte 11 1/2 yrs ago. She was first my office manager, then my co-worker and best of all, my Friend. We have shared a lot of things with each other and spent some important times together too. We were here at the office together on 9/11, we have laughed together, we have cried together and one of my most recent memories of Charlotte is when we took my son, Dillion, to breakfast for his 9th birthday at Freds Market Place. He loved to have breakfast with Charlotte.

We will miss her but we will never forget all that she shared with us throughout the years. Thanks for the memories Charlotte.

Love ya, Darlena
