“ Charlotte, it was a pleasure to have known you and an honour to have had you as a friend. You were a wecoming face when I began at SeniorNet. Having you in my classrooms made teaching my classes easy. Your humor, your smile and your enthusiasm for life are only a few compliments to a life well lived. You will be missed. Rest in Peace, my friend.

“ Charlotte,
Thank you for being there when I needed you, even at a moments notice. Thank you for your encouragement and kindness. Thank you for being trustworthy, for lifting me up, for rejoicing with me. Thank you for your smiles and tears. Thank you for the little ways you showed you care. For all these things and more, I am thankful for the blessing of having you in my life.

A blessed thing it is for any man or woman to have a friend, one human soul whom we can trust utterly, who knows the best and worst of us, and who loves us in spite of all our faults.

Thank you for sharing the joy and sunshine in my life, your spirit lives on dear friend.

“ Miss Charlotte, The first day that I met you, I knew that you were one powerful, beautiful soul and I knew that I was blessed to know you.

When I saw you with your children, the love that was given and recieved was evidence of a beautiful thing that I wish all of us had with our Mother. Yours was more special than words can convey. I miss you Ms. Charlotte.

“ My sweet sweet Aunt Charlotte, I will miss you so much. I'm a better person for knowing you. I have always said that you were like a mother to me. You were always there for me. This world has lost one of the most Charming, Considerate, Loving, Fabulous, Sweetest, Awesome, and shined like a star person. How lucky heaven is to have you. I love you and always well.

I'M FREE

*Don't grieve for me, for now I'm free
I'm following that path that god laid for me
I took his hand when I heard him call
I turned my back and left it all.
I could not stay another day
to laugh, to love. to work or play
Tasks left undone must stay that way,
I found that peace at close of day
If my parting has left a void,
then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss
be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life's been full, I've savored much.
Good friends, good times, a love ones touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief,
Life up your hearts and share with me
God wanted me now:
He set me free*
