“ *Charmaine was a dear. We were very good friends in high school, so sorry we got separated as we got older. I called her phone number a couple months ago and got the terrible news that she had passed away last December. I talked to her husband for quite some time, very nice man.*

“ *Charmaine and I were VERY close in high school! We walked home from school together, and I spent a LOT of time at her house. I've thought about her a lot over the years and was hoping to see her at our 50th class reunion. I am so sorry to hear of her passing.*

*My sympathies to the Brittingham family. I so enjoyed working with Charmaine at Citi/J.P. Morgan; I learned so much from her and feel very lucky to have known her. I hope the thoughts and prayers of those that knew and respected Charmaine will help you all get through this sad time.*
