“ Just a message for everyone who may see: This is from the Christmas card I had gotten for my Dad and it was his gift to me all his life. Thanks for everything, Dad You placed presents under our tree, but the best ones were those we couldn't see-- love, laughter, faith, and strength. You can't find those in any store, and they're not just opened once... instead, they're blessings received again and again for a lifetime. Merry Christmas with Love I am going to miss this man greatly for the rest of my life and I will cherish his memory forever. I LOVE YOU DAD!
