“I was so sorry to learn of the illness and passing of your mother, Chloe. She was a dear friend to my mother while my mother lived in Florida in the 80's and 90's and when my mother became widowed. One year ago Chloe opened up her home to my mother for a one week visit. My mother enjoyed the visit immensely. She spoke of Chloe often. Although I only met your mother a few times, I have fond memories, as well. My deepest sympathy to the family.##imported-begin##Mary Katsonis Moyer##imported-end##

“ Jane, Chloe, Fred; I am sorry to hear of your mother's passing, but, knowing other friends who had Pan.CA, know that she is at least free of that suffering. I met Aunt Chloe only a few times (in my memory) but she was always kind and calm, and had a friendly smile and a nice word for a bashful little niece. God Bless grace###imported-begin##Grace Heitsch###imported-end##

“ You were so fortunate to have Chloe as a mother. I know all about all of you because we sat in the gazebo at Walden Lake in a respite from our bike ride for years and we talked about everything. If you think I might know something that you don't don't hesitate to ask. I really miss her but am so grateful to have had her as a friend and neighbor.I know where she is now . God bless you all.
