“ *I'm sorry I waited so long to post. It's so hard and I couldn't find the words to say. I have almost 17 years worth of memories. I can't choose one. You were a good man. A loving man. My best friend. My whole world. I loved you with all of my heart from the first day I met you. I would give anything to turn back time and tell you that I loved you one more time. Ivie misses you so much. I love you. Kelly.*

“ Bubbie....Oh how I miss you. You know in my eyes the sun has always rose and set with you...I can still hear you calling me "baby Girl" every time that we talked..my birthday will never be the same again because you always used to think that it was so funny to call me at 4 o'clock in the morning just so you could wake me up and be the first one to wish me a Happy Birthday and of course with your birthday just 2 days after mine I'd always try to get you back and you'd always be at work already!!! LOL..Bubbie, I could go on and on...my memories are the sweetest and they will live with me forever...your baby sister love love loves you!! Candi

“ Prayers of comfort go out to Chris Klink's friends and family. I went to school with him and when I hear his name I see his smile. HE was such a fun loving guy! I have to say even after all these years, every time I go to Daytona Beach I think of him leaving his car out on the beach over night at Beach Week. We all felt bad for the end result, but had to laugh at the moment....
